

## Student and Teacher course May 2012 Hilderstone College Broadstairs, UK

This year again the Department of English of Driestar Educatief organises a study trip to England. After having been to several colleges we would like to visit Hilderstone College in Broadstairs, Kent, again.

Broadstairs is a lovely coastal town on the tip of Kent, some 20 miles north of Dover and tucked away between Margate and Ramsgate. It has a lovely bay, beautiful beaches and all that is needed to enjoy a perfect week. It allows for good shopping and lovely pubs where we often come together for a good chat. For a peek; visit <http://www.visitbroadstairs.co.uk>

As for the college; well, read the passage below. Every single word is true and we know since we were here several times before. For us this college stands out as one of the very best in the UK.

We will work on our skills as an essential step towards a **proficient level of English** (C2 or CPE level). Your entrance level should be at least C1 or CAE. Not only will we train our skills intensively, but we will also get lessons on methodology (how to teach English at all levels) and CLIL. The homestay places are really perfect and it is good to be in an English home during this stay.

Hilderstone College has an international reputation for providing the highest quality courses for students and teachers of English. In the words of the college itself:

*Improve your English fast at one of the best language schools in the UK. Hilderstone is about providing quality in all that we do. We have one of the most highly qualified and experienced teaching teams in the UK, who use fully up to date methods. And because they are permanently based at Hilderstone, we have full control over the quality of our teaching and courses. They will help you to learn in a way that suits you best and will check your progress regularly. Enjoy the UK.*

The trip will take place in May 2012 from, Monday April 30th till Saturday May 5<sup>th</sup>, all being well and God willing. Departure is very early on Monday morning. This enables us to take classes in the afternoon. The return trip will be Saturday morning.

The price you pay includes all tuition and possible excursions, homestay (half board). The ferry crossing from Dunkerque to Dover (and back...) can also be arranged by us leaving room for group discounts (to be arranged later). Personal expenses and petrol prices for travelling are not included. Since we intend to travel by car and people share cars we know from experience that the travel expenses will be very low.

The price for this investment in your professional growth is € 810. You can also apply for the Comenius grant. If you intend to apply for the Comenius grant (European Platform), send us an e-mail so that we can send you the relevant information.

The deadline for enrolment is **December 22st, 2011!**
